Dear Friends,

Thank you for your generous donation of \$3,601.00 to Habitat for Humanity of the Greater Harrisburg Area. Your gift to Habitat of Humanity of the Greater Harrisburg Area will help us continue our mission of eliminating poverty housing.

It takes a team working together to insure safe, decent, and clean communities. Community support from individual contributors, corporate sponsorships, and religious partnerships has us planning to complete four new homes as well as stage one of our new headquarters buildings. We also hope to reach a goal of thirty jobs for our Home Repairs Mission.

We, at Habitat, value your contribution as we work with families to improve better living conditions. You are making a difference in the lives of many people in the Harrisburg area. Your continued support will help us keep their dream a reality. Thank you for being a partner in eliminating poverty housing.

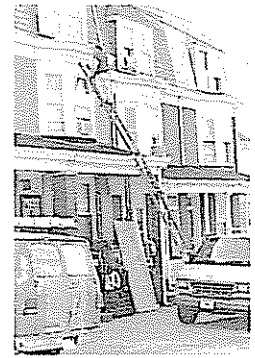

Sincerely,

Eve Wachhaus

RE: Contribution

Dear Members:

On behalf of the Board of Directors and myself, thank you for your generous contribution of \$984.74 for our 2007-2008 program year. Also, thank you for volunteering your time in repairing and modifying four homes in Harrisburg and Steelton. The volunteers were wonderful and the homeowners were thrilled with everything that was accomplished.

A contribution (time, talent and treasure) such as yours, is vital to our program. We are able to repair and replace roofs; replace rotting floor boards; repair collapsing porches that low-income homeowners cannot otherwise afford to have repaired because they must choose between medication and food to home repairs. A simple grab bar or ramp makes an elderly or disabled homeowner have much more accessibility in their home.

We are so grateful to contributors such as yourselves and also to all the volunteers. Without your support, our program would not be successful and we would not be able to fulfill our mission—to ensure low-income homeowners remain safe, warm and dry and independent.

Thank you again for helping us fulfill our mission in the community!

Sincerely,

Sue Gebhart
Executive Director
